Math Prep Homework Worksheet 6 – Graphing Functions

1. Graph and label each of the following functions below by finding two points and connecting them.
Use function notation to find the points.

a) $a(x) = x + 2$

b) $b(x) = 3x - 4$

c) $c(x) = -2x + 3$

d) $d(x) = \frac{1}{2}x + 1$
